

# East Greenwich Planning Board Agenda

**Wednesday December 15, 2021 - 7:00 PM**

**Town Council Chambers, Town Hall**

**125 Main Street, First Floor**

Please be advised that due to recent changes in the law by the General Assembly and the expiration of the Governor's Executive Order on open meetings, there will be no remote/Zoom participation for this meeting. Members of the public may attend and participate in-person and/or may submit written correspondence in advance of the meeting by emailing it to [Lhitchen@eastgreenwichri.com](mailto:Lhitchen@eastgreenwichri.com) or mailing or hand delivering it to the Planning Department Office located at 111 Peirce Street – Lower Level, East Greenwich, RI 02818. All such correspondence must be received by 3:00 PM EDT on December 15, 2021 in order to be included in the record. Mask wearing will be required of all parties (both vaccinated and non-vaccinated) at all indoor public meetings. The Town will make a concerted effort to have masks available at all such meetings to support those members of the public body, staff, or public at-large with a mask should they not have one available.

- 1) **Roll Call and Call to Order**
- 2) **Review and Recommend of Zoning Ordinance Amendments** – Per Town Code, the Planning Board is charged with reviewing proposed zoning amendments and making a recommendation to the Town Council. The Council has requested amendments to Article XX of the Zoning Code, pertaining to Solar Energy Systems and Facilities. Specifically, revisions to Section 260-119 through Section 260-123 are being considered. The goal of the proposed amendments is to streamline the review process for roof-top solar projects. Staff has found that subjecting roof-top projects to all the provisions of the full Land Development Regulations is unnecessarily cumbersome and the process is a disincentive to development of these low-impact green energy projects. Expediting approval of these project types might also intersect favorably with the Town's current growth management focus as property owners will be able to gain additional value from existing structures without adding density, i.e. without additional residential or commercial units.
- 3) **Annual Election of Officers** – The Board is asked to nominate and vote on election of a Chair and Vice Chair to serve for the coming year.
- 4) **2022 Meeting Calendar** – the Board is asked to approve the schedule of meetings for the coming year.
- 5) **Minutes** – The Board is asked to review and approve the minutes of the regular November 3, 2021 meeting.

**Adjourn**

Date of Posting: December 10, 2021
