

# YOUTH SPECIALTY CAMPS

The specialty camps are for youth **entering the 1-6 grades** and will take place at **EG High School**. **Room locations to be printed on your registration receipt.**

Specialty Camp programs are generally four days per week, 2 hours a day (9:00am- 11:00am) concentrated instructional programs in a specific content area. When signing up your child be sure his/her interest is strong enough to keep his/her attention. No alternative activities are offered.

**\*\*PLEASE NOTE THE CHANGES DUE TO NEW STATE RESTRICTIONS ON CAMPS\*\***

1. Enrollment is limited.
2. Campers can only sign up for either the morning specialty camp OR the afternoon playground program. Campers may not take both in the same week, due to State grouping requirements.
3. Camps will now run on Monday, Tuesday, Wednesday and Thursday (NO Fridays).
4. New procedures for check in, check out, access to the building, etc. will be forthcoming.

Check the course schedule on pg. 5 for session dates.

## CAMP DESCRIPTIONS

**The Best Magic Class in the World:** Fee: \$94   
 In this class students will learn how to create amazing feats of magic using cards, coins, rope and many ordinary objects. Students will learn how to make things appear, disappear and be transformed. Students will think creatively and find new ways to present their new magical skills. Most of all students will develop self-confidence, make new friends and have fun.  
 Instructor: Jed Doherty Location: High School

**Broadway Songs & Scenes:** (4<sup>th</sup>-6<sup>th</sup> grade) Fee: \$67  
 In this fun musical theatre class, students will learn and perform a medley of select songs from one or more Broadway Musicals. This one-week camp will expose students to recent Broadway repertoire, harmony, solo & ensemble singing, acting, music reading as well as dancing and movement. Sheet music and practice materials will be provided. **The class includes a final showcase that will be videoed and a link provided for sharing.**   
 Instructor: Experiments in Theater Staff Locat: HS Auditorium

**Broadway Jr. Songs & Scenes:** (2<sup>nd</sup>-4<sup>th</sup> grade) Fee: \$67  
 In this fun musical theater class, students will learn several and perform a musical revue of songs and scenes from one or more Broadway Musicals and then practice singing and staging   
 songs. Proper singing techniques will be taught and practice material will be provided. **The class includes a final showcase that will be videoed and a link provided for sharing.**  
 Instructor: Experiments in Theater Staff Locat: HS Auditorium

**Acting Technique & Improv:** (4<sup>th</sup>-6<sup>th</sup> grade) Fee: \$67  
 Whether you are new to theater or an experienced veteran, this class will explore a variety of must know theater concepts and acting techniques from pantomime and improvisation to the Stanislavsky Method and the Meisner Technique. Students will examine a character's intention, learn to define and execute "beats" and discover better ways to live in the moment on stage. **The class includes a final showcase that will be videoed and a link provided for sharing.**   
 Instructor: Experiments in Theater Staff Locat: HS Auditorium

**Summer Theater Production:** (2wks: 2<sup>nd</sup>-8<sup>th</sup> grades ) Fee: \$125

There is no better way to create, collaborate, learn and grow in theater than taking part in a full-scale production. 

Join us for a two-week performing experience in which everyone gets a part in a one-act play that will be performed on the last day of camp. The process includes costumes and props, line memorization and acting instruction. The one act play will be selected based upon the number and ages of the participants. Every participant will receive a copy of the script that they can keep! **The class includes a final showcase that will be videoed and a link provided for sharing.**

Instructor: Experiments in Theater Staff Locat: HS Auditorium

**Woodland Adventures Camp:** (1<sup>st</sup>-3<sup>rd</sup> grade) Fee: \$70

Come explore the woods! Crafts, stories and games all about some incredible woodland creatures! 

Instructor: Anna Dufresne Location: High School

**Sew Much Fun!:** (2<sup>nd</sup>- 6<sup>th</sup> grade) Fee: \$70

All new sewing projects! Learn to sew by hand by making woodland themed stuffed animal! 

Instructor: Anna Dufresne Location: High School

**KidzArt:**

Fee: \$104

Come have a blast developing your creativity and learning art techniques! Camps include any of the following projects: drawing, painting, sculpting and other fine art projects all wrapped around a kid friendly theme using professional media. "If you can dream, you can draw." Building self confidence in the visual arts is our goal for every student. You will be amazed at what your child is capable of. All camps have new curriculums each year. This year's themes are Summer Sparks, Birds of a Feather and Farmer's Art. 

Instructor: KidzArt Staff Location: High School

**Cooking with Class:** **\*\*CANCELLED\*\*** Fee: \$87

This year we added a class of kids' favorite recipes! Make your own pizza, easy cheesy mac and cheese, taco bar, waffles with homemade fruit syrups and more! 

Instructor: Kim Korb Location: High School

**Calling All Bakers:** **\*\*CANCELLED\*\*** Fee: \$87

Bring your smile and joy of baking! This year's recipes include assorted donuts, muffin madness, Lucky Charms bars, cake pops, gum drops bars and a few surprises. 

Instructor: Kim Korb Location: High School

**Candy Camp:** **\*\*CANCELLED\*\*** Fee: \$87

Calling all candy lovers. This year's camp we will be making all new recipes and perfecting some of our classics: caramel melts, chocolate or butterscotch clusters, assorted chocolate molded pops, truffles, cream cheese melts and more. 

Instructor: Kim Korb Location: High School

**Marketing & Business Camp:** (4<sup>th</sup>-6<sup>th</sup> grade) Fee: \$161

Learn product design, marketing, branding, and entrepreneurship while making bath and body products with Bath Junkies!

Instructor: Kim Jaffrey

Location: High School

**Stop Motion Animation:** (4<sup>th</sup>-6<sup>th</sup> grade) Fee: \$95

Students will explore a variety of stop motion techniques from cut-paper, object, Claymation, and dry erase drawing. They will create a series of short videos that will be shown as a mini film festival at the completion of the program.

Instructor: RIMOSA staff

Location: High School

**Claymation:** (4<sup>th</sup>-6<sup>th</sup> grade) Fee: \$95

Learn about "persistence of vision and illusion" while making a mini- Claymation stop motion film. Young film-makers will work in small groups to make their own stop-motion films. They will be using plasticine to build their props and character sculptures, before bringing their creations to life. This week will end with a screening of the campers' film.

Instructor: RIMOSA staff

Location: High School

**Sculptural Engineering & Balance:** (4<sup>th</sup>-6<sup>th</sup> grade) Fee: \$95

Create whirligigs and rock sculptures! Campers will learn about Alexander Calder's mobiles and the earth art of Andy Goldsworthy. Explore different materials and construction techniques to create sculptures using balance, woven materials, as well as natural and found objects.

Instructor: RIMOSA staff

Location: High School

**Creative Engineering:** (4<sup>th</sup>-6<sup>th</sup> grade) **\*\*CANCELLED\*\***

This class will utilize engineering principles as campers create various projects that may include: wind and kinetic sculptures, architecture, buoyancy, wind vehicles, bridges and biomimicry nature inspired design.

Instructor: RIMOSA staff Location: High School

**Robotic Factory 101:** (1<sup>st</sup> - 3<sup>rd</sup> grade) Fee: \$140

Kids bring robotics to life by building and programming creations using Legos® that specialize in forces and motion like driving, cranking, walking, spinning, wobbling, flexing, reeling or lifting.

Instructor: Sylvan Learning Center Location: High School

**Enviro-Explorer II:** (4<sup>th</sup>-6<sup>th</sup> grade) Fee: \$140

In this innovative camp, there's no environmental challenge the kids can't solve! Our young scientists will be given real-world environmental problems-like how to deal with wildfires and storms. Using an inquiry based approach they'll imagine, build and program Lego® bots to explore the answers.

Instructor: Sylvan Learning Center Location: High School

**Icon Coding:** (1<sup>st</sup> - 3<sup>rd</sup> grade) Fee: \$180

The Tynker Junior course collection comprising of different adventures helps early readers develop foundational programming skills. As they progress through adventures, campers learn about sequencing, parameters, events, loops, conditional logic, and nested loops that help establish foundational coding skills. From there they can use the skills they learned to build their own projects with art, music, & animation.

Instructor: Sylvan Learning Center Location: High School

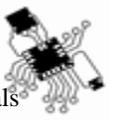

**Hands On Electronics:** (4<sup>th</sup>-6<sup>th</sup> grade) Fee: \$95

Tinker with electronics while learning the basics of computer programming. Begin exploring the fundamentals of electronics and circuitry, before designing an interactive programmable device. Participants use the latest tools including Arduino, Raspberry Pi, resistors and motors. Each class gives participants the chance to design a project.

Instructor: Circuit Lab Staff

Location: High School

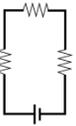

**Circuit Makers 101:** (1<sup>st</sup>-3<sup>rd</sup> grade) Fee: \$95

Let's get creative with electricity! Students will gain experience with creating their own electronics: designing custom light-up greeting cards, electric games, mazes and musical instruments. Each class day consists of a circuitry lesson and a hands-on project using components like lights, buzzers, switches, motors and sensors.

Instructor: Circuit Lab Staff

Location: High School

**POW! Science!:** Fee: \$60

All out science! Participants perform hands-on experiments in chemistry, physics, engineering, electricity, earth science, life science and more!

Instructor: POW! Science! Staff

Location: High School

**Dance Camp:** (1<sup>st</sup>-3<sup>rd</sup> grade) Fee: \$101

Dance camp will teach children some basics in hip-hop, jazz, ballet and acro. They will have fun while learning to work together, build confidence and get moving! At the end of the four days students will have a showcase to show parents what they have been working on all week long.

Instructor: Breaking Arts Dance

Location: High School

**Aim High Gymnastics:** Fee: \$94

Students will enjoy gymnastic instruction, along with games and fitness activities each day while receiving individualized instruction from Aim High's highly trained coaching staff. Wear gym clothes- shorts!

Instructor: Aim High Staff

Location: HS Cafeteria

**Basketball Camp:** Fee: \$45

This program will teach youth different aspects of the game of basketball and will include: shooting, passing, defense, offense also a chance to play each day. All children will be given fair playing time. Boys & girls are welcome and should wear gym clothes and sneakers.

Instructor: Bill Coughlin

Location: HS Gym

**Tennis Camp:** Fee: \$84

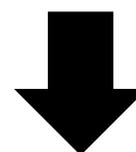

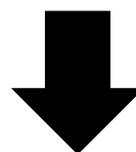

Campers will work on coordination, ball control, movement, footwork, forehands, backhands, volleys and serves. Participants must have their own age-appropriate racquet and wear sneakers. (Rain site: HS Gym)

Instructor: Kristen Coker

Location: HS Tennis Crts.
