

# PLAYGROUND PROGRAM

All the playground groups take place at **EG HIGH SCHOOL**. The children will be divided up by **grade entering & school district** (Meadowbrook/Hanaford 1-3 grade, Frenchtown/Eldredge 1-3 grade, Hanaford/Cole 4-6 grade, and Eldredge/Cole 4-6 grade). The groups will utilize the gyms, the cafeteria and the outdoor space.

This program is a supervised time where the children can take advantage of playing kick ball, softball, SPUD, water balloon tosses, going on short local trips, seeing special performances, and being with their friends for six weeks.

Children sign up on a weekly basis. The days are generally Monday, Tuesday, Wednesday, and Friday. The Local Trips are held on Tuesdays (see list below). On Thursdays there is no playground program because this is our **BIG TRIP** day. **If you wish to come on Thursday then be sure to sign up for the BIG TRIPS too!** These Big Trips can fill and should be done when signing up for the playground. If your child is not signed up for the Big Trip or doesn't want to go on the Local Trip, then your child must not attend those days as there is no supervision.

AGES
Grade entering in September
Grades 1-3
Grades 4-6

FEE
Includes the local trip cost
\$30.00 per week

	Nappy's Shadow Puppets	7/26
VI	Monster Mini Golf	7/30
	Todd Brodeur- Frisbee Show	8/02

# BIG TRIPS

These trips tend to be longer day trips to areas within or outside the state line. All youths are transported by a chart school bus and are chaperoned on a one-to-eight ratio. Pic for the trips is at the *Frenchtown Park parking lot*. Children may bring extra money for snacks, extra tokens, etc. Bag lunches must be brought from home for most trips. Juice boxes are recommended because many areas do not allow bottles or cans. All trips have a limited enrollment. The bus is not held for late individuals after the stated departure time. **LIMITED ENROLLMENT.**

AGES: GRADE 1-7 (Entering in September)

Session	Trip	Date	Time	Fee
I SUM114	<b>Boston Museum of Science-</b> Explore the Museum's vast collection. Discover all the exhibits- dinosaurs, wind, electricity, minerals, machines and more. Bring a bag lunch.	6/27	9:30-3:30pm	\$42
