A Guide to State Referenda
and Voting Procedures in Rhode Island

General Election

November 3, 2020

Nellie M. Gorbea
Secretary of State

Message from the Secretary

Dear Rhode Island Voter:

As your Secretary of State, it is my responsibility to make sure you are able to exercise your right to vote safely and securely. The social distancing practices that help us prevent the spread of COVID-19 have forced us to change many aspects of our lives but we can still be united in casting our votes. I am sending you this guide to make it easy for you to be informed, be engaged, and be a voter in 2020.

As a Rhode Island voter, you have the power to help move our great state forward. You have three options for safely and securely casting a ballot this year and this guide offers more information on each of these voting methods. I urge you to make your voice heard. If you have applied for a mail ballot, be sure to fill out your ballot and return it as quickly as possible (see page 5).

Your guide also contains information about a very important state question you will see on your ballot. Voters will be asked to approve or reject language that changes the official name of the state. You can see the complete question on page 8.

Locally, there are 21 communities in which you may also be asked to approve or reject municipal ballot questions. Be sure to familiarize yourself with these questions before filling out your ballot. You can view your sample ballot on your cell phone or your computer by going to our online Voter Information Center (vote.ri.gov). You can also call your local board of canvassers for more information about local ballot questions.

Your vote matters and is absolutely critical to Rhode Island's success. Please help me get this information to as many people as possible by sharing it with your friends and family. This guide is also available on our website (vote.ri.gov). If you need additional information, please call the voter information hotline by dialing 2-1-1. You may also contact our Elections Division at elections@sos.ri.gov.

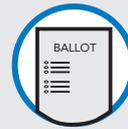

Make a difference. Be A Voter!

Voting In-Person

You have two options for voting in-person. In the 20 days leading up to Election Day, you can vote in-person at your city or town hall during their regular business hours. Or you may vote in-person at your polling place on Election Day.

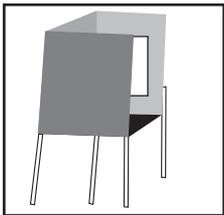

Below are the procedures for voting in-person.

Get your ballot

Check in with elections officials by scanning your photo ID into the electronic poll book. Elections officials will ask you to sign the electronic poll book screen.

They will provide you with the appropriate ballot and a secrecy folder to ensure the privacy of your election choice(s).

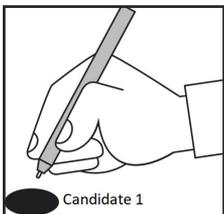

Go to the voting booth

Read the directions at the top of your ballot!

Be sure to check both sides of the ballot.

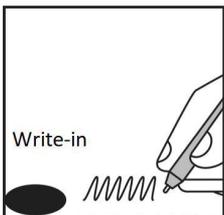

Some elected offices or questions will appear on the back of the ballot.

Mark your choice(s)

Fill in the oval to the left of your choice(s).

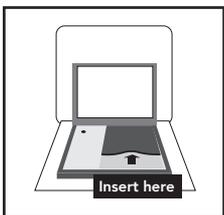

Some races allow voting for more than one candidate. Do not vote for more candidates than indicated.

To vote for a write-in candidate

To vote for a candidate whose name is not on the ballot:

Fill in the oval to the left of "Write-in" and print the name clearly in the box.

Counting your vote

Remove your ballot from the secrecy folder and insert your ballot into the voting machine.

DO NOT INSERT THE SECRECY FOLDER INTO THE VOTING MACHINE.

Place the empty secrecy folder on top of the voting machine and proudly wear your "I Voted" sticker.

Different address?

If you moved within the same city/town without updating your voter registration address you will need to complete an affirmation form before voting.

! If you make a mistake when marking the ballot

If you make a mistake, do not cross out on the ballot or try to insert it into the voting machine. Instead, bring your ballot to an elections official and ask for a new one to start over.

? Provisional Voting on Election Day

If your name does not appear on the voter list, you do not have an acceptable form of photo ID, or there is another potential issue with your eligibility to vote, you will be allowed to cast a provisional ballot. This means that your vote may be counted by your local board of canvassers after Election Day.

Accessibility and Voting Assistance at the Polls

Accessible polling place for elderly, disabled and visually impaired voters

Each polling place will have at least one handicapped-accessible voting booth designated for priority use by voters who are over 65 years of age or have some disability.

Voters who have a medical disability which would cause the voter to experience severe discomfort by standing in line will be allowed to move to the front of the line.

Each polling place will also be equipped with a sheet magnifier to assist voters who are visually impaired.

! If the polling place you are assigned to is inaccessible, you should notify your local board of canvassers and they will arrange an alternate means for you to cast your vote.

Any voter who requires assistance to vote by reason of blindness, disability, or inability to read or write may be given assistance by a pair of poll workers or a person of the voter's choice. The voter's employer or agent of that employer, or an officer or agent of the voter's union ARE PROHIBITED from providing assistance.

Using the accessible AutoMark equipment

In accordance with the federal Help America Vote Act (HAVA) and state law, an accessible voting unit (AutoMark) will be available at each polling place for every primary and election.

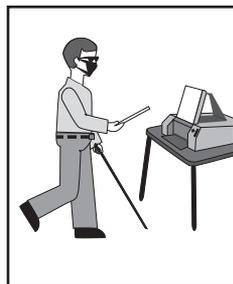

The AutoMark can read and mark the ballot for the voter. This allows voters with reading, vision and other disabilities to mark their ballot privately and independently.

All registered voters are automatically entitled to use the accessible voting equipment located at each polling place. No special applications are required.

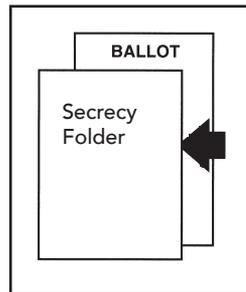

When you arrive at your polling place, you will proceed to the check-in table and tell poll workers that you wish to use the AutoMark to assist in marking your ballot.

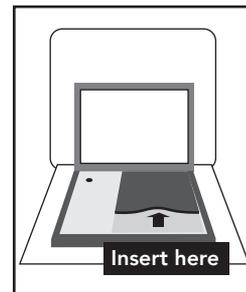

Receive ballot and secrecy folder from the poll worker.

Use the AutoMark unit to mark your ballot in private. Place your ballot into the AutoMark unit. Follow the instructions and make selections by using the keypad or touchscreen.

Insert your ballot into the secrecy folder and go to the voting machine.

Remove ballot from the secrecy folder and insert your ballot into the voting machine.

State Referendum – Question 1

The Rhode Island Constitution requires voters to approve certain decisions made by the General Assembly. A referendum is when voters are asked to approve or reject constitutional amendments. Below is the single question that will appear on your ballot.

What it will look like on the ballot:

Approve

Your vote to “Approve” would remove “and Providence Plantations” from the official name for the state.

Reject

Your vote to “Reject” would keep “and Providence Plantations” in the official name for the state.

1. AMENDMENT TO THE CONSTITUTION OF THE STATE (CHANGING THE OFFICIAL NAME OF THE STATE) (Section 1 of Article XIV of the Constitution)

Approval of the amendment to the Title, Preamble, Section 3 of Article III, and Section 8 of Article IX of the Rhode Island Constitution set forth below will have the effect of changing the official name of the State from “State of Rhode Island and Providence Plantations” to “State of Rhode Island”:

AUTOMARK

An accessible voting unit that can read and mark the ballot for the voter. This allows voters with reading, vision and other disabilities to mark their ballot privately and independently.

PROVISIONAL VOTING

Provisional voting is a process to ensure that all registered voters are allowed to participate in the election process. These qualified voters will be allowed to cast the same ballot as all others however, the disposition (full ballot, federal offices only, or disqualified) of that ballot will be determined by the voter's local board of canvassers. The voter may then learn the disposition of the ballot by visiting elections.ri.gov or by calling the Board of Elections at 222-2345.

REFERENDUM

The Rhode Island Constitution requires voters directly make certain decisions instead of the General Assembly. A referendum is the way our legislative body (the General Assembly or town or city council) asks voters to make those decisions on proposals such as constitutional amendments, long-term borrowings like bonds, special laws affecting some cities and towns (like municipal charters) or the expansion of gambling.

The referendum is always asked as a question for voters to approve or reject. Referenda is the plural form of the word referendum.

VOTING ASSISTANCE

A poll worker will explain how to mark your ballot if you ask. The cover of the secrecy folder and the inside wall of the voting booth will also contain instructions on how to mark your ballot.

Per state law, anyone can assist the voter unless they are the voter's employer or agent of that employer, or an officer or agent of the voter's union.

You can request the assistance of a bipartisan pair of poll workers. Federal and state laws allow voters who are blind, disabled or unable to read or write to bring a person of their choice into the voting booth. The poll worker will have an affidavit that must be completed.

The option for voters to vote in-person at their city/town hall on the 20 days leading up to Election Day.
