

LABORER for the East Greenwich Department of Parks & Recreation.

Duties include a variety of maintenance tasks requiring the application of some independent judgment and working knowledge of the maintenance of parks and recreation fields and grounds including the principals and practices of turf care and play structures.

Work requires heavy lifting, repetitive movements, operating small engine equipment, larger mowers, snow plowing, shoveling snow, lining playing fields, raking leaves, weeding, sign maintenance, cleaning bathrooms, picking up litter and other tasks associated with maintaining Town and School grounds.

Applicant must have a high school diploma or GED, 1-3 year work experience in a related field and a RI driver's license. Approved background and medical check will be required.

Apply immediately at the 1127 Frenchtown Rd, East Greenwich, RI.

The application period is open until the position is filled. EOE
