

# PLAYGROUND PROGRAM

All the playground sites are based at the **EG HIGH SCHOOL**. The children will be divided up by ages and by what EG school they attend. The groups will utilize the gyms, the cafeteria and the outdoor space.

This program is a supervised time where the youths can take advantage of playing kick ball, softball, SPUD, water balloon tosses, going on short local trips, seeing special performances, and being with their friends for six weeks.

Children sign up on a weekly basis. The days are Monday, Tuesday, Wednesday, and Friday. The local trips are held on Tuesdays (see list below). On Thursdays there is no playground program because this is our **BIG TRIP** day. **If you wish to come on Thursday then be sure to sign up for the BIG TRIPS too!** These Big Trips do fill quickly and should be done when signing up for the playground. If children are not signed up for the Big Trips or don't want to go on the Local Trips, then there is no supervision that day.

# BIG TRIPS

These trips tend to be longer day trips to areas within or outside the state line. All youths are transported by a chartered school bus and are chaperoned on a one to eight ratio. Pick-up for the trips is at the *Frenchtown Park parking lot*. Children may bring extra money for snacks, extra tokens, etc. Bag lunches should be brought from home. Juice boxes are recommended, because many areas do not allow bottles or cans. All trips have a limited enrollment. The bus is not held after the departure time stated. **LIMITED ENROLLMENT.**
