

## YOUTH SPECIALTY CAMPS

The specialty camps will take place at **EG HIGH SCHOOL** this year. One drop off and one pick up.

Specialty Camp programs are generally one week, 2 hour a day (9am-11:00am) concentrated instructional programs in a specific content area. When signing up your child be sure his/her interest is strong enough to keep his/her attention. No alternative activities are offered.

These programs can work in conjunction with the playground program. If your child wishes to participate in both the specialty camps and the playground program then we will provide supervision from the specialty camp to the playground program. All other campers must be picked up at the end of the program. Be sure to sign up for the playground program if you desire this longer day.

**Check the course schedule below for its corresponding session. Not all camps are held each session.**

### CAMP DESCRIPTIONS

**Showstoppers!:** 2 week camp Fee: \$65.00

A musical theater class (grades 1-3) that prioritizes both acting and proper vocalization. Students will learn how to interpret and present a solo and the class will work together on several musical theater pieces from the Broadway musical "The Music Man". Some reading ability is necessary. The last class will include a final performance that friends and family are welcome to attend. The instructor has a great deal of experience working with children in a theatrical setting. Her Wheaton College education has enabled her to perform in New York City as well as in many theatre groups in RI.
