Please check any of the following which apply to this application:

- The application was filed in response to notice from the Town indicating that the proposed work activities must be done to bring the building up to code, etc.
- The applicant has received notice from the Town the work has proceeded at the property without the prior approval
- The applicant cannot attend the scheduled hearing, but an attorney, contractor, or other representative will appear on the applicant's behalf.
- The project also requires zoning relief.

IMPORTANT NOTE:

All decisions rendered by the Historic District Commission (HDC) may be appealed to the Zoning Board of Review. The HDC cannot render a final decision on any application which also requires zoning relief. Applicants may first appear before the HDC for conceptual review and return for final approval once zoning relief has been granted.

All applications for Certificates of Appropriateness must be found by the HDC to be consistent with its Standards for Review. The HDC bases these review criteria on the Secretary of the Interior's Standards for Rehabilitation. A copy of the Standards is found in the application package. Questions about any of these issues may be directed to the Planning Department.
